

CHI HOANG

chi.hoangmai@tcu.edu

Fashion Intelligence across Culture, Design, and Data

EDUCATION

Texas Christian University

B.S. Fashion Merchandising; B.S. Digital Culture & Data Analytics; Minor in Writing
Awards: Founders Scholarship, Dean's Honor List (2023-2025) | **GPA 3.92**

Fort Worth, TX

Spring 2027

University of Sydney

Design Computing, Data Visualization, Sustainable Community Strategy Project

Sydney, Australia

Spring 2025

Inside LVMH Certificate: Creation & Branding, Operations & Supply Chain

Fall 2025

PROFESSIONAL EXPERIENCE

Vogue Australia | Editorial Intern, Fashion (Digital)

Summer 2025

- [Authored](#) and edited published fashion content, spanning evergreens, listicles and news with critical trend analysis
- Analyzed Google Trends, CMS metrics, and social media to inform daily trend briefs reaching Asia-Pacific segments
- Maintained structured editorial metadata and archive upkeep in high-volume media production environment

Patagonia | Data Illustrator Intern

Fall 2024 - Spring 2025

- Conceptualized dashboards and UX features for [2 flagship activism web apps](#) using ESRI, Python, and HTML
- Engineered and translated complex datasets into visual narratives that drive decision-making and resource allocation
- Balanced accessibility, data integrity, and brand voice for global-facing sustainability communications

Tinhvan Software JSC. | Data Analyst Intern

Summer 2024

- Optimized predictive accuracy to 95% on 300K+ multivariate records with visualized EDA, feature engineering and scaling, using a weighted ensemble model (Decision Tree/GBM) that outperformed standalone deep learning models
- Delivered data-driven strategic recommendations that informed governmental application decisions
- Led a knowledge-sharing initiative that increased engagement across teams

SKILLS

Languages: Vietnamese (Native), French (DELF B1), Mandarin (HSK 2), English (Fluent)

Data & Analysis: Python (Pandas, scikit-learn, basic PyTorch), SQL, Excel, Power BI, Tableau, ArcGIS, Econometrics, EDA

Design Software: Kaledo, Adobe Creative Suite, Blender (3D & animation), p5.js

Crafts: Illustration, Technical Sketching, Draping, Sewing, Hand-stitching, Printmaking, Tufting, TIG Welding, Clay, Etching

Web & Editorial: JavaScript, HTML/CSS, CMS Management, SEO Writing, Feature Writing, Data Storytelling, Dashboarding

Research & Strategy: Trend Research & Analysis, Line Planning, Customer Profiling, Art Direction, Styling

OUTPUTS

ANALYTICAL PROJECTS

Interconnected Campus Digital Platform | EY Consulting X USyd

Spring 2025

- Analyzed behavioral and facility data to identify drivers of low student engagement
- Designed an AI-driven personalization and incentives framework to increase online and offline campus participation
- Synthesized quantitative analysis, contextual research, and financial modeling into [a 40-page report](#)

Building Energy Analytics Dashboard | USyd Senior Design Computing Studio

Spring 2025

- Developed [an interactive dashboard](#) from high-frequency time-series sensor data across 30+ buildings to evaluate energy efficiency and thermal performance trade-offs for experts
- Performed data cleaning, exploratory analysis, and trend signal interpretation to reveal relationships between environmental variables and operational outcomes
- Implemented advanced visualization features including dynamic filters, temporal sliders, and multi-axis comparisons

CREATIVE PROJECTS

Collina Strada AW26/27 Capsule Line Development

Fall 2025

- Developed [a 6-piece womenswear line storyboard](#) using WGSN trend research, customer profiling, & brand analysis
- Created full design package including moodboards, textile direction, trims, Kaledo technical flats and illustrations
- Produced faculty-recognized line direction, moodboards, and illustrations selected as educational reference material

Art Direction, 3D Design, and Generative Media

Fall 2024 - Spring 2025

- Developed [multimedia designs](#) with Adobe Creative Suite for print, digital, and branding applications
- Created [Blender projects](#) involving surreal 3D scenes, soft-body dynamics, and tactile simulations
- Built [interactive digital art works](#) with moiré effects, generative color logic, and live input response

Garment Construction & Object [Designs](#)

Spring 2024 - Spring 2025

- Constructed a tailored mini skirt with pleats, side pockets, a fly-front zipper, and back darts
- Designed & constructed a Japanese knot bag in tufted canvas, resolving form, weight distribution, & interior capacity
- Prototyped soft headphones with copper boning and refined fit through iterative sizing tests

Upcycling Collection

Spring 2023

- Designed, constructed, and self-styled a [12-piece lookbook](#) using deadstock fabrics and old uniforms
- Applied hand stitching, draping, smocking, and fabric manipulation to create dimensional upcycled garments
- Developed original concepts informed by film, anime, cultural references, and personal narrative

SELECTED WRITINGS

“In an era of clean girl aesthetics, can ‘effortless’ style ever really be without effort?” | [Vogue Australia, News, 2025](#)

Explores how athleisure’s evolution, from 2010s basics to the ‘clean girl’ style and later to balletcore, reflects the performance of control in contemporary fashion

“The Siren Blueprint: How Madame X Draws Out Female Power” | [Fashion Rhetorics, Spring 2025](#)

Examines how Sargent’s *Madame X* shaped the visual language of the modern femme fatale

“Lenses” | [Writing Composition, Spring 2024](#)

Personal essay on perception, identity, and learning to adapt with unwanted change

LEADERSHIP & COMMUNITY ENGAGEMENT

TCU Fine Arts Committee for Connection Culture | *Student Representative*

Fall 2025 - Present

- Reviewed and provided strategic feedback on event proposals, evaluating operational feasibility & budget allocations

The Art Galleries at TCU | *Gallery Assistant*

Fall 2024 - Present

- Coordinated art installation logistics and managed gallery-flow operations during exhibition setups and changeovers
- Led guided tours for 50+ weekly visitors, maintaining consistent scheduling and visitor experience standards

ECOSTylesAU | *Dresser, Stylist, Content Creator*

Spring 2025

- Provided on-set dressing, styling, and documenting support for shoots & events, managing wardrobe logistics

TCU’s Multicultural Fusion Fashion Show | *Creative Producer & Stylist*

Spring 2024

- Coordinated styling, production, and model direction for a runway show centered on underrepresented cultures
- Oversaw wardrobe and dressing coordination for 10+ looks across cultural presentations, ensuring on-time execution
- Liaised with stakeholders across styling, production, and model teams to align on scheduling, resources, & logistics

RESEARCH EXPERIENCE

TCU Institute of Behavioral Research | *Data Manager Assistant*

Fall 2025 - Present

- Manage the psychographic data lifecycle (entry, metadata management, cleaning, updating, visualization) using Excel, Python, and Power BI and automated workflows, reducing manual processing time by 90%

Dr. Nguyen Thi Vinh Ha, Vietnam National University | Quantitative Data Assistant

Spring 2024 - Spring 2025

- Consulted and supported data collection, records management, and executed machine learning model evaluation

Michelle Kee, McGill University | Research Assistant

Summer 2023

- Conducted 50+ qualitative surveys & scheduled interviews, streamlined data workflows with 40% time reduction
